Traceability

Warehouse

France

Recommended care

We will always recommend you to test your fabric.

Impact

- kg of CO2 eq.

- L of consumed water

- environmental points

At Nona Source, we are convinced that every sourcing decision can play a key role in reducing the environmental footprint of the fashion industry. Promoting responsible creation is part of our core values. In a spirit of traceability and in response to the French government's environmental labeling initiative, we have partnered with **La Belle Empreinte** to help Nona Source develop its system for providing information on the environmental impact of its materials.

Certifications & compliance

The mentioned textile product meets the following criteria:

- Compliant with European REACH regulations (EC No. 1907/2006)
- Sourced from dormant stocks belonging to a luxury brand within the LVMH group
- No chemical treatment after recovery
- Tested in accordance with current European textile standards

Official statements

We certify that the fabric mentioned above complies with the stated specifications. It comes exclusively from dormant stocks acquired from partner luxury brands, without any processing that alters its composition or original properties.
