These are generic care recommendations. To take care of your leather in the long-run, we also recommend the following:
- Store your leather items in a tote bag / shoe box
- Waterproof once a year
- Sometimes brush with a soft crepe brush in the direction of the grain to remove dust and dirt
- If wet or stained, dab gently with a clean cloth, let dry naturally at room temperature
- For stubborn stains, use suede shampoo.
In case of doubt, consult a cobbler or leather craftsman.
